You	Reference to "you" and "your" includes the premium payer. This is the person who has agreed to pay the premium to us, as shown in the policy schedule.

2. What we cover under this policy

- You are covered for unexpected and unforeseen damage to your tyres and rims on a private or public road in South Africa. If the tyre cannot be repaired, then we will pay for it to be replaced, and we will also pay for wheel balancing and alignment.
- The following cover option tiers are available for selection:

Tier	Maximum amount per tyre	Maximum amount per rim	Maximum claim limit per annum per vehicle
1	R5 000	R2 000	R10 000 per vehicle
2	R10 000	R10 000	R20 000 per vehicle
3	R20 000	R15 000	R40 000 per vehicle
4	R20 000	R40 000	R100 000

IMPORTANT: When selecting your cover option please be mindful of what it would cost to replace all four of your vehicle's tyres and rims. Remember to include the cost of wheel alignment and balancing. Your selected option is shown in your policy schedule.

- We will never pay more than:
 - The maximum limits per tyre as shown in your policy schedule.
 - Two tyres and two rims per claim.
 - Two claims per a 12-month consecutive period.

If the maximum limit is not enough to cover the full replacement cost, you will have to pay the difference.

3. Conditions for cover

- We will only cover your tyres and rims while you are driving within the borders of South Africa on tarred private or public roads only. We do not cover your tyres and rims while you are driving on untarred private or public roads as well as off-road trails.
- **The vehicle that your tyres and rims are fitted to is any of the following passenger vehicles:** 4x4 vehicle, 4x2 vehicle, minibus, SUV (sport utility vehicle), light delivery vehicle (LDV) or a motorised caravan with a gross vehicle mass of not more than 3 500kg.
- The tyres and rims must be fitted to the vehicle that is shown in your policy schedule (including the spare wheel).
- The tyres must be within the legal tread limit as determined by the National Road Traffic Act, according to which:
 - The tyre's pattern must be clearly visible across the full surface of the tyre, and the tyre must have a tread depth of at least 1mm.
 - If the tyre has a tread depth indicator, the tread may not be level with the tread depth indicator.

Your responsibilities

1. You must give us all material information

- You must tell us if any material information changes within **21 days from the change**. For example, you must notify your broker if you change your tyres, rims or your vehicle.
- If any of your information is incomplete or incorrect at any time, our decision was based on incorrect information. This means we may not have agreed to cover or continue to cover your tyres and rims with your current premium, limits or conditions.
 - We may cancel your policy from the date that you gave us incorrect information, or since there was a change in the risk that you did not tell us about. If we cancel, you lose your right to claim and we will refund the premiums we received after the cancellation date, less the claims amount we may have paid.
 - If we do not cancel your cover, we may then increase your premium or apply an exclusion.

2. You must be honest

All dealings about this policy must be done honestly and in good faith. If you are involved in fraudulent behaviour, we will cancel your policy from the date of the fraud. You will lose your right to claim and we will not pay back any premiums we have received. We may also take legal steps to recover any expenses from you.

3. You must maintain your tyres and rims and prevent loss or damage

- You must maintain your tyres and rims and take all reasonable steps to prevent loss or damage, and to minimise the cost of a claim.

For example:

- You must make sure that your tyres are inflated at the correct pressure and rotated regularly as stipulated by the tyre manufacturer.
- Any modifications to your vehicle must be done by an accredited vehicle specialist.

- After an insured event you must take reasonable steps to protect your tyres and rims from further loss or damage. For example, do not continue to drive with a flat tyre as this may cause further damage to the tyre.

4. You must have an insurable interest

In order for an insurance policy to be valid, you must have an insurable interest in your vehicle throughout the period of insurance. Having an insurable interest in an item, means that any loss or damage to the item will cause a financial loss to you. If your insurable interest in your vehicle changes, you must tell us.

5. You must keep to the terms and conditions

You must comply with all the rules, terms, conditions, your responsibilities and the claims process shown in your policy wording and policy schedule.

6. Obey the law

- You must comply with the law at all times, including any by-laws and regulations relevant to your vehicle.
- Do not use your vehicle in connection with any criminal offence. We may reject a claim and we may ask you to pay back any benefits that we may have paid for that claim and any costs we may have incurred relating to that claim.

7. You may not transfer your rights to another person

This policy does not give any rights to any other person or entity other than the policyholder. You may not transfer your rights to benefits payable under this policy to another person or entity. This is known in law as a cession. If you transfer your rights to another person or entity, we will not recognise that contract. We will continue our contract with you as if you had not contracted with someone else.

When and how to pay your premium

Your premiums – whether paid monthly or annually – must reach us on time. All premiums are payable in advance, before your policy starts. Premiums must be paid in South African rands only.

1. Monthly premiums

If you chose to pay your premium monthly your choice is shown in your policy schedule. Your premium is due on your chosen premium collection date, but your cover runs for a calendar month.

For example: A full month's premium collected on any day in May means you are covered from 1 May to 31 May.

1.1 Your first debit order

Depending on when your policy is activated, your first debit order might not be in time for our debit order run. Note that if your first debit order fails, this policy will not start and you will not be covered.

- **When your policy start date is on the 1st of the month**
 - If your policy is activated in time for our debit order run, we will debit your account on your chosen debit order day with one month's premium for cover from your policy start date until the last day of that month.
 - If your policy is not activated in time for our debit order run, there are two options available:
 - We can debit your account on your chosen debit order day in the following month with two full months' premium. This will cover you from your policy start date until the last day of the following month (double debit).
 - You can ask us to do an interim debit order to collect the first month's premium and then we will only collect one month's premium on your chosen debit order day in the following month.
- **When your policy start date is not on the 1st of the month**
 - If your policy is activated in time for our debit order run, we will debit your account on your chosen debit order day with a pro-rata premium for cover from your policy start date until the last day of that month.
 - If your policy is not activated in time for our debit order run, there are two options available:
 - We can debit your account on your chosen debit order day in the following month with the pro-rata premium plus one month's full premium. This will cover you from your policy start date until the last day of the following month.
 - You can ask us to do an interim debit order to collect the pro-rata premium and then we will only collect one month's premium on your chosen debit order day in the following month.

1.2 **One month grace period on subsequent debit orders**

From the second month of cover, we allow a one-month grace period (extra time) for you to pay your premium. We will not pay any valid claims that happen during the grace period, unless you pay the outstanding premium within the grace period.

1.3 **Working days only**

If your debit order date falls on a Sunday or public holiday, we will debit your bank account on the first working day before or after the Sunday or public holiday.

1.4 **Rejected and stopped debit orders**

- If a debit order is rejected because of insufficient funds, we will debit your bank account with two months' premium on your next debit order date.
 - If that collection is successful, your policy will continue.
 - If that collection is not successful, your policy will end at midnight of the last day of the calendar month for which premium was received.
- If you stop a debit order directly with your bank we will not attempt another collection. Your policy will end at midnight of the last day of the calendar month for which premium was received.

1.5 **Changes to your policy**

If you make a change to your policy which affects your monthly premium, the following applies:

- **Changes effective on the first of the month:** We will amend your monthly debit order with the new premium.
- **Changes effective on any other day of the month:** Because your cover runs for a calendar month, it means that there will be a pro-rata premium due to amend your cover from the effective date of the change until the last day of the month. We will amend your monthly debit order with the new premium and we will deal with the pro-rata portion as follows:
 - **Reduction of your monthly premium:** If the change reduces your monthly premium, we will reduce your next debit order with the portion of the premium we owe you for cover until the last day of the month (the pro-rata premium).
 - **Increases to your monthly premium:** If the change increases your monthly premium, we will increase your next debit order with the portion of the premium you owe us for cover until the last day of the month (the pro-rata premium).

1.6 **If cover ends**

If your cover ends during the period of insurance, we will pay back that portion of the monthly premium which relates to the period after the date the cover ended. We have the right to keep a small portion of any premium we refund to you, to cover our costs. We will not pay back any premium if we cancel your cover because of fraud.

2. Annual premiums

If you chose to pay your premium annually your choice is shown in your policy schedule.

2.1 **Period of insurance**

Your cover is in place for 12 months after your policy start date and each subsequent policy review date once you have paid your premium.

2.2 **Payment via EFT or direct deposit**

If you chose to pay your annual premium via electronic fund transfer or direct deposit, then your broker will provide you with our banking details. We allow a one-month grace period (extra time) from your policy start date and each policy review date for you to pay your annual premium.

- **Policy start date:** If your first annual premium is not received within one month after your policy start date, this policy will not start and you will not be covered.
- **Policy review date:** If any following annual premiums are not received within one month after your policy review date, your policy will end on the last day of the previous period of insurance.
- **Claims during the grace period:** We will not pay any valid claims that happen during the grace period of one month, unless you pay the outstanding premium within the grace period.

2.3 Payment via debit order

If you chose to pay your annual premium via debit order, then your premium is due on your chosen premium collection date. We will debit your bank account every year on your premium collection date.

- **Working days only:** If your debit order date falls on a Sunday or public holiday, we will debit your bank account on the first working day before or after the Sunday or public holiday.
- **Rejected debit orders:** If a debit order is rejected because of insufficient funds, we will debit your bank account again after a one-month grace period.
 - If that collection is successful, your policy will continue.
 - If that collection is not successful, your policy will end on the last day of the previous period of insurance, unless it was your first debit order in which case your policy will not start.
 - We will not pay any valid claims that happen during the one-month grace period, unless you pay the outstanding premium within the grace period.
- **Stopped debit orders:** If you stop a debit order directly with your bank we will not attempt another collection. Your policy will end at midnight of the last day of the previous period of insurance.

2.4 Changes to your policy

If you make a change to your policy during the period of insurance which affects your annual premium, the following applies:

- **Reduction to your annual premium:** If the change reduces your annual premium, we will pay back the portion of the premium we owe you.
- **Increases to your annual premium:** If the change increases your annual premium, you must pay a pro-rata premium. This pro-rata premium will cover you from the effective date of the change, until your next policy review date. You must pay the pro-rata premium within one month after the effective date of the change.

2.5 If cover ends

If your cover ends during the period of insurance, we will pay back that portion of the annual premium which relates to the period after the date the cover ended. We have the right to keep a small portion of any premium we refund to you, to cover our costs. We will not pay back any premium if we cancel your policy because of fraud.

When policy conditions change

We will tell you at least 31 days before the effective date of any changes we make as set out below. We will send you an updated policy schedule, policy wording and an explanation of the changes.

1. We will review your policy every year

- We will not change the limits – you are responsible to make sure the limits of your chosen cover option are sufficient to cover your tyre and rim insurance needs.
- **Premium changes:** When we review your premium, we consider a number of different factors, like environmental changes and inflation.
- **Automatic renewal:** Unless you tell us that you want to make changes to our renewal terms, we will automatically renew your policy on the terms shown in the updated policy schedule and policy wording.

2. We may also make changes to your policy at any time

We may change the terms and conditions of this policy at any time, and not just on your policy review date. A change might affect the limits, your premium and excesses. If legislation changes, this policy will be considered to be aligned with the change, until such time as the policy wording is updated.

3. We may make changes to your policy

- We may change the terms and conditions of this policy at any time and not just at the policy review date. A change might affect the limits, premium and excesses.
- If legislation changes, this policy will be aligned with the change, until such time as the policy wording is updated.

4. You may make changes to your policy

- Any changes may affect your premium. If you ask us to make any changes to your policy they will be effective from the date agreed to by us.
- If we agree to change some policy requirements, it does not mean that we have agreed generally to change all the requirements.

Claiming under this policy

1. How to claim for your tyres or rims

- Take your vehicle to a recognised tyre retailer.
- Find out from the recognized tyre retailer whether the tyre can be repaired. If the tyre can be repaired then there is no claim under this policy. If the tyre cannot be repaired, and needs to be replaced, then continue with the steps below.
- Take pictures of the damaged tyre or rim, clearly showing the damaged area, the sides of the tyres and the tread surface of the tyre.
- Request an invoice detailing the following:
 - Vehicle details.
 - Tyre and rims details as applicable.
 - The remaining tyre tread left (in millimetres) of the damaged tyre.
 - Confirmation that the tyre was irreparable.
- Pay the tyre retailer directly and send us the pictures, a copy of the invoice and proof of payment within 31 days of the event taking place.

IMPORTANT: If there was malicious damage to your tyres or rims you must report it to the police within 24 hours and you must give us the police case number.

2. If your claim is valid

• What we will pay

We will pay for the cost of replacing your tyres or rims (including alignment and balancing) up to a maximum of the amounts shown in your policy schedule. The amount we will pay depends on the remaining depth of the damaged tyre, as shown in the table below. You will have to pay the difference in the form of an excess between the cost of a new tyre and the amount that we will pay.

IMPORTANT: A minimum excess amount of 10% will always be payable in the event of a claim for a tyre or rim.

Remaining tread depth of the damaged tyre	Tread depth of a new tyre

- **Waiting period**

In the event of a valid claim, you may not keep the damaged tyre or rim, it will become our property.

What we do not cover – exclusions

 - Fire, scorching, charring, melting or burning.
 - Malicious damage.
 - Mechanical failure of your vehicle.
 - Cosmetic or chemical reasons.
 - Defective design, workmanship or materials.

4. **Damage not caused directly by a road hazard:** There is no cover for tyres and rims that are not damaged by a road hazard on a public or private road. For example, if you swerve for a pothole and hit the curb damaging your tyres and rims there is no cover under this policy.
