

INSPIRE

Howdie's Inspire product caters to the up-and-coming individual. This bespoke insurance product provides you with peace of mind and security as well as more freedom not often found in personal insurance. What makes Inspire unique is that we cover important items, that often are often removed from the home on an Assets All Risks basis. That means your high-end cameras, video equipment, fashion items, jewellery and watches have limits better suited to rising stars, new executives, decision-makers and entrepreneurs.
