COMMERCIAL

The Howdie 24-hour Assistance Call Center for Heavy Commercial Vehicle Assist (HCV Assist). We assist with mechanical or electrical breakdowns, roadside security, or accident towing. With a team of qualified professionals available 24/7, you can rest assured that your heavy commercial vehicle will be looked after in an emergency.

## ROADSIDE & STOCK SECURITY GUARD

We will send out a security guard (either armed or unarmed as required) to the breakdown/accident scene should the driver feel unsafe and or to prevent vandalism/theft of the vehicle or stock.

Call out and up to 1 hour per incident covered per annum.

## MECHANICAL/ELECTRICAL BREAKDOWN

In case of a mechanical or electrical breakdown, our call center will promptly dispatch a qualified mechanic to evaluate the vehicle's condition. If the mechanic determines that towing is necessary, we will arrange for the vehicle's transfer to the nearest authorized repair facility.

Covered up to R7 500 per incident. Anything over the limitation will be for the client's own account.

## ACCIDENT TOW

In the event of an accident, our Assistance Call Centre will make arrangements to have the vehicle towed, up to the Insurer Limitations on the policy.

**\*Please note:** A client will not be entitled to service where the vehicle is not in a roadworthy condition. Any costs incurred through arrangements made by the client without prior authorisation shall not be reimbursed.

Assistance is only available in South Africa.
