

HOWDIE – FLAWLESS POLICY EXCESS AND LIMIT SECTION

Pay-out will not exceed the applicable limit. You must still prove your loss.

All excesses are per section per claim.

The basic excess becomes Nil when the policyholder is aged 55 or older, unless the policyholder opts to pay a voluntary excess, as stated in the Schedule. In the Motor section, this applies if the driver at the time of the accident is aged 55 or older.

Any cover included in your policy wording which is not shown in this document, is limited to the applicable section's sum insured and the relevant basic excess applies.
